15 Attendance Policy

Attendance and participation in class are integral parts of the educational process at UTCC, and are significant factors in academic achievement. Students are expected to attend all classes; take exams, tests, and quizzes during scheduled times, and are responsible for all material covered in class.

Instructors are expected to report students whose absence is excessive. At the discretion of the instructor, excessive absences or tardiness may result in a lowered grade or failure of the course. Individual instructors may identify more specific attendance requirements, which are clearly stated in the course syllabus. Nevertheless, the University's policy requires that all students attend a minimum of 80% of their class periods. Students whose attendance is lower than 80% may forfeit their chance to take the final exam, if any.

16 Leave of Absence

A student in good academic standing may request a leave of absence from the program in one of the following cases:

- The student is summoned to military service.
- The student receives a scholarship approved by the University, and is required to travel or study abroad.
- The student has a health problem which prevents him/her from attending classes and /or meeting the requirements of the courses he /she will take. A medical certificate issued by an authorized medical institute must be submitted with the petition for leave of absence.
- The student is in a situation considered appropriate by the Dean to permit leave of absence.

Note: Students in good academic standing, who have studied in the program for more than one year and have maintained a GPA higher than 2.00, may request a leave of absence from the program of up to two semesters.

The approval from the Dean is required if the student needs to be absent for no more than two semesters. And if the student needs to be absent for more than two semesters, the approval of the President is required.

Except only in the case of military service, the leave of absence is included in the study time limit . The student must pay a *maintenance-of-status* fee before the beginning of each semester in which they wish to be absent .

Students who wish to return to their active status must report to the Office the Registrar and to the Dean respectively .However, readmission following a leave of absence is granted only on a space available basis.

17 Student Grading System and Policy

The following information relates specifically to the grades given by UTCC. Letter grades are given in all courses. Grades are calculated from the student's daily work, class participation, quizzes, tests, term papers, reports, and the final examination. The University-wide system for undergraduate grading is as follows:

Grade	Descriptions	Point
A	Excellent	4
B+	Very Good	3.5
B	Good	3
C+	Fairly Good	2.5

3. The student is not allowed to take the final exam because he/she attended the class less than 80% of the time required.
4. The student violates one or more items listed in the University's rules and regulations concerning the exam procedures.

In addition to the grades above, the following grades may be given.

Grade	Descriptions
W	Withdrawal with permission before the deadline
I	Incomplete coursework
S	Satisfactory completion of course
U	Unsatisfactory completion of course

Withdrawals prior to the established deadline for each semester may be made without grade penalty. Nevertheless, the notation **W** is recorded. The student is ultimately responsible for withdrawing from class when appropriate. The signature of the instructor of the course is required.

A student will receive an **I** in the following cases:

1. One or more of the student's assignments is still in process by the time the University computes his/her GPA. Nevertheless, this case must be acknowledged and approved by the Dean.
2. The student is admitted to the hospital or an authorized medical institute. A medical certificate and proof of treatment issued by the hospital or the authorized medical institute are required.

The student receiving an **I** according to any of the conditions above will be charged a fee to have his or her grade changed, and must submit his/her assignment or take the required examination before the end of the second week of the following semester, otherwise the **I** will become an **F**.

Each student's grade point average (GPA) is computed at the end of each semester. Only the student's passing grades are computed to determine his/her accumulative GPA.

17.2 Failing and/or Repeating a Course

The student may repeat a course if he/she have received a grade no higher than **D+** from the course. Only his/her latest grade from the course he/she repeat will be used in computing the GPA. Nevertheless, his/her latest grade from the course will not be higher than B.

- A student failing an elective course may choose to repeat the course or take another elective course however this **MUST** be within the approved study plan for the program.

The status of students who have completed only one semester at the University is always in academic good standing, regardless of their GPA. A student is considered in academic good standing if their accumulative GPA is 2.00 or above. A student is placed on academic probation when the cumulative GPA is below 2.00 and may require a remedial study plan to support improvement.
